

MTCON'26

15-Minute Stand-Up Presentation Guidelines

1. Format & Time Allocation

This conference will be held in a **face-to-face format**.

Each Stand-Up Presentation at MTCON'26 is strictly 15 minutes. Plan for 12 minutes of speaking and 3 minutes of Q&A to fit session schedules.

2. Presentation Structure

Organize your talk into five focused sections, using the time recommendations below:

1. Introduction (2 min): Clearly state your study's purpose, central research question, and only the essential background.

2. Framework & Methodology (3 min): Provide a high-level overview of your theoretical model or research framework and study design. Minimize technical detail unless critical.

3. Key Results (4 min): Showcase the most impactful findings with concise visuals directly tied to your research question.

4. Discussion & Implications (3 min): Interpret your results, emphasizing theoretical contributions, practical recommendations, and suggestions for future work.

5. Conclusion & Contact (1 min): Summarize core takeaways. Include your name, affiliation, and email on the final slide.

3. Submission & Template Requirements

Slide Template: Download the official MTCON'26 Presentation Template from the website.

4. Technical & Logistical Details

Equipment: Presenters are advised to bring a USB. Internet is not guaranteed—download locally.

Backup: Provide a USB copy in PowerPoint or PDF format.

Onsite Setup: Arrive **10 minutes before your session to test connections and troubleshoot.**

Also provide your presentation to the assigned Host of the designated Room.

5. Slide Design Best Practices

Clarity: One main point per slide; avoid dense text.

Legibility: Use high-contrast colors and bold fonts (min. 24 pt).

Visuals: Favor charts, graphs, and images over bullet lists.

Transitions: Keep animations minimal.

Final Slide: The final slide should include presenter name(s), affiliation(s), and contact information for follow-up.

6. Questions & Support

For any queries, please reach out to the conference planning team of the MTCOON'26.
